

Molly Georgiades

12 Black
Head Coach

"I am a firm believer in the benefits of team sports particularly for girls, and I am a firm believer in the impact a coach can have on players. One of my goals this year as a coach with Houston Skyline BCS is to develop players that have a sincere love of the game, have a strong foundation in the fundamentals of the game and have skills that help them become better players, better teammates, and better people."

5 years of club coaching experience

- BVJ
- H Skyline BCS
 - 3rd Place at Lone Star Regionals in the Elite Division – 2023
- 5 years of coaching experience at the middle school level.
